

Annual Ski Week Jan 30 – Feb 6, 2016

Ranked #1 ski resort by Condé Nast Traveler for the past two years, Telluride is spectacular! Perched at 9,500 feet, **Mountain Village** is an intimate alpine enclave with luxury hotels and condominiums, stylish boutiques and innovative dining. Home to the state-of-the-art Telluride Conference Center, and world renowned hotels, this European-styled alpine village provides unsurpassed scenic ambiance with an emphasis on guest service.

All elements combine to create a modern alpine European elegance to complement the rustic charm of the town of Telluride. Victorian architecture and colorful storefronts distinguish Telluride's Main Street, while European alpine elegance surrounds the Mountain Village core.

Food aficionados delight in the innovation and quality of food in this small resort, boasting over 60 restaurants, coffee shops and bars. New approaches in American cuisine, wine cellars to rival those found on either coast, and tasting menus prepared by seasoned chefs create the perfect atmosphere to match any mood.

This trip is full. If you want to join us, e-mail Barbara or Christine if you seriously are interested in the trip; we may be able to secure additional lodging, although some conference venues are full.
