THE BACHELOR BLAST

March 13-17, 2024 (with 2 or 3 Night Options)

Mt. Bachelor, 18 miles or less than a 30 minute drive from Bend, OR, where we'll be staying, provides ski runs for all levels of skier and snowboarder. The resort is the 6th largest ski resort in North America with over 4,000 skiable acres, 3,365 feet of vertical drop, and 101 runs to explore. The highest of the lifts unloads at the very crater of the Mt. Bachelor volcano. Mt. Bachelor has an average 100 inches of snowfall in March, making it possibly the best time to ski there.
