Note deadlines to purchase ski passes before the prices go up!

The [Mt. Hood Fusion Pass](#) price will go up November 1 (unlimited skiing at Timberline and Mt. Hood Skibowl with Powder Alliance benefits)!

[Mt. Hood Meadows passes](#) are dynamically priced, and the price goes up the longer you wait (season pass prices have increased 3 times since last spring). All Access passes and multi-time passes (10x, 5x) will be discontinued when the limit is reached, and it is possible that even the Value Passes may be discontinued for the year at a certain sales level. Bottom line: if having a season pass is important, then purchase now to get the best price and to assure availability.

The [Indy Pass](#) pricing will go up December 1! This pass gives 2 tickets to 80 independent ski areas, and the numbers keep going up! Note that NWSCC has partnered with the Indy Pass and will have one Indy Pass in our online auction in November.

The [Epic Pass](#) is still available at 20% off last year's prices.

The [Ikon Pass](#) is still available, though prices have gone up.

## NWSCC INDUSTRY MEMBER NEWS

### MT. HOOD MEADOWS [www.skihood.com](http://www.skihood.com)

Winter is coming... are you ready? Make sure you're all set for when the snow starts piling up on the mountain and get your Season Pass! All Access, Value, 10 Time, 5 Time, Beginner Progression, Night, and Nordic Passes are all available in our online store. Remember: Season Passes are on a dynamic pricing model, which means prices will increase as sales increase, and the sale of some or all pass products may eventually be cut off entirely in order to help manage visitation, particularly on peak days. Click [HERE](#) to purchase your 2021-22 Season Pass! Also, if you prefer to purchase in person and are in the Portland metro area, you can get your pass at Meadows PDX, located at 1639 NW Northrup!

Hard to believe, but Winter Break is only a couple months away! If you're looking for something fun and enriching to do around the holidays, consider checking out one of our [3-Day Camps](#)! Open to both [youths](#) and [adults](#), skiers and snowboarders, from first-timers all the way to advanced, these camps are a fantastic way to develop skills on the slopes, featuring four hours of instruction each day that build on the previous day's lessons. Already have plans over Winter Break? No worries! We also have Spring Break 3-Day Camps too.

Life can be unpredictable... help safeguard your season by adding [Pass Protection and/or Gear Check](#) onto your pass! Whether it's an illness, job loss, relocation, or a natural disaster that makes your primary residence uninhabitable, Pass Protection helps secure your season against unexpected occurrences by reimbursing you a prorated amount of the cost of your pass. And with Gear Check, your equipment will be stored with our attendants at the main lodge to ensure it doesn't get stolen. You can add on Pass Protection for just \$10, or bundle with Gear Check for just \$34... a small price to pay for peace of mind for the entire season. Head to the link below for full program details and restrictions, but don't delay! The deadline to add these products onto your pass is December 1, 2021.

Fall is in full swing on Mt. Hood! The foliage is beautiful, the crowds have dissipated, and the mountain is getting dusted with snow. Take advantage of some of these [incredible lodging deals](#) Cooper Spur Mountain Resort has going on this fall and come up for a visit:

From now through November 30, 2021, trade in any used vehicle and buy or lease a new 2020 or later model Toyota from a participating Oregon or S.W. Washington dealer and receive two (2) All Access Season Passes to Meadows! Click [HERE](#) for details.

We're happy to announce that our Turns for Tenants (T4T) program is back for the 2021-22 season! T4T is a community-based housing initiative that provides incentives (Value Passes and/or non peak day lift tickets) for local homeowners and landlords to list available rental properties to Meadows and Cooper Spur team members. The goal of the program is to identify affordable, available housing options for our team members. For more information and to apply to the program, please head to our [T4T page](#) on our website.

## MT. HOOD SKIBOWL [www.skibowl.com](http://www.skibowl.com)

What's new at Mt. Hood Skibowl for this year?

- We have partnered with Oregon Energy Trust to upgrade our metal halide lights with LED replacements. These LED replacements will reduce our energy consumption by half and provide a much better visual night experience for our guests. Last year we were in the testing phase to hone-in on what would be the

best product for our guests. This is a multi-year project to retrofit the entire mountain, in which this year we are replacing lights in the Skibowl west base area and on Lower Bowl and Multorpor chairlifts.

- New Skibowl Food Truck, complete with a full kitchen. It is conveniently located in the Skibowl west courtyard will focus on grab and go seasonal menu items and beverages.
- We have installed all new carpet in the Guest Services/Ticket/Retail area.
- We've added additional outdoor kiosks for lift ticket redemptions.
- We are in the process of upgrading our online purchasing store to make desktop and mobile purchases more user friendly. Targeting to launch in January.
- We are currently making snow at Skibowl east in preparation for opening the day after Thanksgiving with our Snow Tube and Adventure Park.
